You have joined your client computers to the new server running Windows Server Essentials. Now go to Step 4: Move settings and data to the Destination Server for Windows Server Essentials migration.

Step 3: Join computers to the new Windows Server ...

A couple of days ago I installed update KB2434419 (Windows Live Essentials 2011) and now when I open Internet Explorer a message quickly flashes by that says "Preparing to install." I saw a suggestion on this forum that the message might be due to an add-on. I opened IE without add-ons and indeed did not get the message.
