Empire Of Wealth The Epic

Empire of Wealth, a look at the economic history of the United States from the first European settlers to the early 2000s, is a nice selection for readers just getting their feet wet on the topic. The length of the book necessitates that it cannot delve into too much detail about any particular era. This trait is both a strength and a drawback.

Empire of Wealth: The Epic History of American Economic ...

John Steele Gordon's "Empire of Wealth: The Epic History of American Economic Power is an entertaining, informative read. The author highlights long-forgotten giants of Early American life and explains things I knew of, but never knew why.

Empire of Wealth: The Epic History of American Economic ...

America has dominated the world in a new, peaceful, and pervasive way - through the continued creation of staggering wealth. In this authoritative, engrossing history, John Steele Gordon captures as never before the true source of our nation's global influence: wealth and the capacity to create more of it.

An Empire of Wealth: The Epic History of American Economic ...

Like most stories of empire, the story of the empire of wealth is an epic one, full of triumph and disaster, daring and timidity, new ideas and old prejudices, great men and utter fools. But most of all it is an epic powered by uncountable millions pursuing their self-interests within the rule of law, which is the essence of liberty.

Empire of Wealth: The Epic History of American Economic ...

An Empire of Wealth: The Epic History of American Economic Power John Steele Gordon The word "epic" in the subtitle is a tip-off that instead of a critical history of the American economy, this book is a celebration of it.

An Empire of Wealth: The Epic History of American Economic ...

The author narrates far too much in "Empire of Wealth" to describe here in detail, but particularly stellar is Gordon's discussion of money supply, deficits, trade balances, the role of a national bank, Northern vs. Southern economies, income tax, the history and role of Wall Street and the pernicious boom-and-bust cycle engendered by Jeffersonian opposition to Hamilton's central bank.
