Essays in Medieval History | University of Toronto Press

By necessity, the progression of history is built on the foundations of the past. While many historians center their theories concerning the origins of modernity on the Reformation, voyages of discovery, and the Scientific Revolution, these changes that characterize early modern Europe are as much a continuation of as a break with medieval Europe.

FREE Medieval Europe History Essay

The medieval outlaws of Britain maintain a hold on the present-day imagination, judging by their presence in literature and on film. Exploring the nature of both historical and fictional outlaws, these twelve critical essays survey the literary, historical, and cultural environments that produced them, namely the medieval and early modern periods.
