For more information on specific Depression glass pieces and manufacturers of each pattern, click on the links provided below the photos (where available).

Depression Glass Patterns Identification Guide

You should SUSPECT a pattern's name BEFORE HAND from your trusty field guide, then VERIFY it with "Early American Pattern Glass." This book is also very enjoyable just to look through, with a nice color center section. The value guide is also nice, which is lacking in my field book. Enjoy this wonderful book for what it really is. Recommended.
