"Finding The Way Home" (2019 release) is a documentary about kids in orphanages. As the movie opens, we are informed that there are 8 million kids around the world living in orphanages, even though most of them are not orphans, but simply abandoned. Science is clear that these kids would be much better off with family (real or foster).

Cut the tomatoes as desired and place them on a parchment-lined baking sheet. Place the baking sheet in the freezer and freeze 30 minutes, or until solid. Transfer the frozen tomatoes to a ziplock freezer bag and label the bag with the date. Freeze up to 1 year. You can also puree the tomatoes and place them directly into the freezer bag.

Before you freeze your produce, place the cut-up fruits and vegetables on a large baking sheet. That way, the individual pieces don't congeal into a single, solid block. I can take whatever I need out of the bag and put the rest back in the freezer. I no longer have to commit to using the entire container.

To get the best results when freezing broccoli, try blanching it first—this slows or stops the enzyme action that can cause loss of flavor, color and texture. It also cleans the produce and helps prevent loss of vitamins. Follow along to learn exactly how to blanch broccoli and freeze it the right way.

Finding Your Way Home Ray Pritchard, Ted Griffin [English | Vietnamese] Robert Frost said, "Home is where, when you go there, they have to take you in." It's the place where you truly belong. From time to time I meet people who aren't really from anywhere. They've lived in so many places that no one place is home to them.
