**Manual Of Equine
Neonatal Medicine**

The fourth edition is here from renowned equine veterinarian, Dr. John Madigan. The manual has been considered the single most authoritative, easy to use, source of information for the veterinarian working on foals in the field, clinic, or critical care unit.

Online Library Manual Of Equine Neonatal Medicine **talmanual**

The Manual would not have been completed without the diligent proofing and significant contributions by Dr. Kirstie Pickles. Lastly, this new expanded 4th edition of the Manual is long overdue. It is completed because of the need expressed by those who had access to earlier editions and found it essential to them in their practice of foal medicine.
