History. Asian films are known to have a more minimalist approach to film based on their culture. As with other action films, martial arts films are dominated by action to varying degrees, using only wire work at best; many martial arts films have only a minimal plot and amount of character development and focus almost exclusively on the action, while others have more creative and complex ...

Filipino martial arts (FMA) (Filipino: Sining panlaban ng Pilipinas) refer to ancient Malay and newer modified fighting methods devised in the Philippines. It incorporates elements from both Western and Eastern Martial Arts, the most popular forms of which are known as Arnis, Eskrima, and Kali. The intrinsic need for self-preservation was the genesis of these systems.
