Dad Checklist: What Fathers Need To Do Before a Baby Comes ...

This is partly a good thing—the emerging mother-baby relationship needs to be supported, and fathers can play an important role by mothering the mother. (Somehow, “fathering the mother” doesn’t have quite the right ring to it.) But a father needs to develop his own connection, which means he needs to get at the baby.

The ultimate rookie dad guide to newborns

Q: When does a baby start to recognise their dad? Your baby starts to get to know you from before they are even born, while they are in the womb! By about 24 weeks, your baby can hear sounds from outside, and that includes your voice. This means that for most of the pregnancy, your baby can hear you, and through that, is getting to know you and ...
