Ramco | Heritage Parts

The 2-speed pump on this hydraulic shop press operates the ram at a slow or fast speed to accommodate a wide variety of pressing applications. This 50 ton hydraulic shop press features a fast-pump core that allows the pressure head assembly to lower and make contact with the work piece more quickly than the slow-pump core.

50 ton Dual Speed Industrial Hydraulic Shop Press

I just bought this press on craigslist. It will need a seal kit but otherwise seems to work well. Has anyone disassembled one of these? I am hoping it can be taken apart without any special tools. When the ram is fully extended, there is a groove that extends just past the lip seal. I...
