Charles Landry

Placemaking is a multi-faceted approach to the planning, design and management of public spaces.Placemaking capitalizes on a local community's assets, inspiration, and potential, with the intention of creating public spaces that promote people's health, happiness, and well-being.

Placemaking - Wikipedia

Urban design involves place-making - the creation of a setting that imparts a sense of place to an area. This process is achieved by establishing identifiable neighborhoods, unique architecture, aesthetically pleasing public places and vistas, identifiable landmarks and focal points, and a human element established by compatible scales of development and ongoing public stewardship.

Jim Lambie often creates art for a specific place. To make ZOBOP he used vinyl tape to create a colorful series of lines on the floor of the Museum. The lines formed different shapes and patterns as they curved around a column or made a sharp turn at a window. Try this! Create a line design. Make a design for a floor using lines of tape.
