What will concern me in the present essay, however, is rather the philosophical aspect of the dialogue: whether, or to what extent, the philosophy of the Symposium is "Socratic." In the first place, given the recent tradition of modern Anglo-American scholarship, this will mean asking whether the dialogue is closer, philosophically, to the dialogues we modern Anglophones have come to label ...

The piano can serve as a visual, tactile, and aural tool to inform a student's comprehension of jazz harmony. Through Whit Sidener's extensive experience teaching jazz piano, theory, and improvisation over the last 40 years at the Frost School of Music at the University of Miami, he organized a systematic approach to understand jazz harmony in addition to developing intermediate piano skills.
