3.5 stars Meridian resumes where Arclight left of, with a newly established, fragile peace between humans and Fade and with Marina right in the middle of things as an ambassador of sorts. However, it is a weaker book than its predecessor, somewhat aimless and heavily burdened by the infamous middle book syndrome. Meridian's biggest flaw is that it doesn't have a clear story arc.

The Arclight is the last defense. The Fade can't get in. Outside the Arclight's border of high-powered beams is the Dark. And between the Light and the Dark is the Grey, a narrow, barren no-man's-land. That's where the rescue team finds Marina, a lone teenage girl with no memory of the horrors she faced or the family she lost.
