Baby bedding, blankets, and nursery décor should be as unique and distinctive as the people inhabiting them. It's why we strive to bridge the gap between modern design and old-world craftsmanship. The result is singularly stylish, eco-friendly, and luxurious newborn bedding and nursery décor infused with that which connects us all—humanity.

We've spoken to many entrepreneurs with side hustles who eventually leave their full-time jobs to wholly focus on their businesses. This tends to be the case once the business has gained traction, but the same can't be said for Yez, an architect who's one-half of the founding partners of batikTEKTURA, which started in 2018. "batikTEKTURA and architecture can never be separated, as the ...
