It Leadership Manual: Roadmap to Becoming a Trusted ...

‘IT Leadership Manual – Roadmap to becoming a Trusted Business Partner’ by Alan R Guibord This book is one of three that I am reviewing to help in the development of supporting material for our new training programme on Business Partnering for managers in IT, which we recently piloted for British American Tobacco. The above title suggested that this book would be directly relevant to this programme but, as I have found during many of my reviews, books do not always contain what is says ...
