specialized mainly in card and close-up magic, and has always been known for adding humor in all of his acts.

Juan Tamariz, Biography, Card Tricks, Books. - Magicians ...

Sonata is a collection of Juan Tamariz's magic tricks. It contains a lot of card tricks, including an in depth description of his Tamariz Perpendicular Control. There is also a complete run down on his thoughts on the colour changing knives. It's a great book of you can find it.

Sonata by Juan Tamariz : Magic

Among those things Juan Tamariz is most recognized for, among magicians, is his trailblazing work with the memorized deck-a tool with extraordinary potential for creating utterly baffling magic. Over the past two decades, Tamariz has been the recognized leader in its use and, with Simon Aronson in the United States (who contributes an introduction to this book), the most influential.
