This Instructor's Manual for the Ninth Edition of Numerical Analysis by Burden and Faires contains solutions to all the exercises in the book. Although the answers to the odd exercises are also in the back of the text, we have found that users of the book appreciate having all the solutions in one source. In addition, the results listed

Instructor's Solutions Manual for Numerical Analysis

This Student Study Guide for Numerical Analysis, Eighth Edition, by Burden and Faires contains worked out representative exercises for the all the techniques discussed in the book. Although the answers to the odd exercises are also in the back of the text, the results listed in this Study Guide go well beyond those in the book.
