### Huanyang Chinese VFD settings and manual here! - CNCzone.com

Now was the time to get the machine into it's final position before it became too unwieldily - especially before the horizontal drive unit is re-assembled and attached. Moving the machine was a journey all in itself. I've been saving a 30" x 72" x 2-3/4" butcher block top for something like this and decided to use it.
