Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

### Onset And Rime Printables

Remember that the onset is the part of the word right before the first vowel, and then the rime is the rest of the word, and this is in one-syllable words. So in the word "milk," the onset is /m/ and the rime is /ilk/. And by the way, rime in this case is spelled R-I-M-E. If I'm doing this with my preschoolers, I'm teaching them to break the ...

### Printable Narrative Therapy Worksheets

Here, they are taking the whole word (the picture card) and they must first use phonemic awareness skills to segment the onset and the rime. Then they have to isolate that rime (for example, "ad") and match it to the correct letter sequence. This may be easy for some, but let me tell you, it is a challenge for many! That means it's worth ...
