Life Science Publishers Official Website. Essential Oil Reference, diffusers, books & more

Life Science Publishing Home page US

As a Pocket Reference Guide it is an absolute boon if you need this information. Well set out and indexed - although the text is a little on the small side for me. The main down side to me (and, I guess I should have realised before) this is most certainly an American biased tome - not a bad thing in its self, but I live in the UK.
