The Contradictory College: The Conflicting Origins, Impacts, and Futures of the Community College. This book attempts to resolve the debate between the community college critics and defenders on three key issues: the impact of the community college on students, business, and universities; why and how community colleges developed; and why the community college changed its original academic program to become so strongly vocational.

### **ERIC - ED369461 - The Contradictory College: The ...**

The purpose of this book is to resolve the debate between critics and defenders of the community college on three key issues: (1) the impact of the community college, not only on students but also on business and the elite universities; (2) why and how the community college developed; and (3) why the community college differentiated its originally, academic program to become strongly vocational.

This article examines the manifestation of jihadist ideology in the strategic thought and behavior of war-fighting forces. Employing the “strategic approach,” it aims to determine whether jihadist ideology is a military asset or a strategic disadvantage for armed forces. It hypothesizes the impact of jihadist ideology on the use of force by examining its potential effects in seven ...

Although many colleges attempt to match students with compatible interests, conflicts that arise between roommates due to differences in values and personalities are sometimes inevitable. Maintaining a harmonious roommate relationship requires courtesy, mutual respect, lots of communication and an acceptance of others' differences.

## **How to Deal With Roommate Conflict | HuffPost**

INTRODUCTION. One of the most pressing problems in American health care is conflict of interest. Medicine is now a \$2-trillion industry, and conflicts frequently arise when physicians' "interests or commitments compromise their independent judgment or their loyalty to patients." 1 Financial-incentive structures in managed care create potential conflicts between physicians' desire to ...
