Understanding Second Language Acquisition Ortega

Understanding Second Language Acquisition is a very serious yet readable book written by a professor whose passion for SLA clearly shows in this book. I recommend this book highly for academics, master's students-in-training, and those who want to read up on the latest in SLA which is written at a graduate level.

Understanding Second Language Acquisition: Ortega, Lourdes ...

Understanding Second Language Acquisition offers a wide-encompassing survey of this burgeoning field, its accumulated findings and proposed theories, its developed research paradigms, and its pending questions for the future. The book zooms in and out of universal, individual, and social forces, in each case evaluating the research findings that have been generated across diverse naturalistic and formal contexts for second language acquisition.
