Incorporate movement and music into daily routines and transitions: fly like a bee to the door, gallop like a horse, copy a clapping pattern, or sing a silly clean-up song. If a child struggles with transitions, give the child an important job such as helping set the table, inspecting the interest areas to make sure they are clean, or giving ...

Virtual Reality Concepts and Features. The concept of VR could be traced at the mid of 1960 when Ivan Sutherland in a pivotal manuscript attempted to describe VR as a window through which a user perceives the virtual world as if looked, felt, sounded real and in which the user could act realistically (Sutherland, 1965).Since that time and in accordance with the application area, several ...
