Secularism is the principle of seeking to conduct human affairs based on secular, naturalistic considerations.. Secularism is most commonly defined as the separation of religion from civic affairs and the state, and may be broadened to a similar position concerning the need to remove or to minimize the role of religion in any public sphere. The term "secularism" has a broad range of meanings ...

The centrality of studies of youth to the emergence of social and cultural geography has been somewhat overlooked and/or neglected in recent years. Early research into youth cultures, conducted in the 1960s and 1970s, arguably unintentionally reproduced the idea that young people are a distinct social group who are troubling to society.
